

Victor Allegret

Product designer

✦ Experience

Product designer

Upfluence

Aug. 2021 - now, Lyon & remote

Currently designing the features of the influencer marketing platform. I am working with product and technical teams to build design systems, wireframes and high fidelity prototypes.

Product designer

Yomoni, 1.5 year

Jan. 2020 - Aug 2021, Paris & remote

Collaborated in this fintech with product and development teams to make investing online user-friendly. My job was to carry out user analyzes and tests, build design systems and design interfaces & prototypes.

Front-end developer

Studio HB, 2.5 years [Sandwich course]

Apr. 2017 - Oct. 2019, Lyon

I worked closely with design team to integrate and develop the front-end features of unique, customized and specific websites. I worked for clients like Barnes, ReflexOsteo and others.

🍷 Education

Master's degree, Digital strategy . UX design
